Our Code of Conduct

Watson Wildcats **R.O.A.R. to Success** – **R**espect, **O**utstanding Attitude, **A**chieve Goals, **R**each Out

Our Goals

1. In what ways can a school community systematically respond to the learning needs of students, staff and parents? (How do we meet the needs of all of our learners?)

Watson Elementary student, staff and community are responsible school citizens. (Teaching expectations and strategies to help develop responsible behaviour?)

Principal's Message

We are excited to be in our final month of the 2018- 2019 school year and celebrate so many of the successes of the school year. June can be challenging for students to maintain their focus in the classroom, while still enjoying all of the year-end activities taking place. A good night's sleep and opportunities to play outside will help students through this time.

On behalf of the Watson Elementary staff, I would like to thank you - our parent community, for your continued support throughout this school year. We are very fortunate to have such amazing community support and parental involvement. I would also like to thank our talented staff, who strive to support the learning of each individual child within our school. We are fortunate to have such a committed and eager team who make a difference one child at a time.

Along with the rest of the staff, we wish all of our Watson families a safe and relaxing summer vacation!
