☰ **2 Posting to the PAC Page** ⋮

Posts are required to be approved by PAC executive members before they are posted to the wall. Anonymous posters are visible to group admin. Posts that do not follow group rules will be denied.

---

☰ **3 Purpose of the Group** ⋮

The Facebook group is for sharing information to help our members stay informed and up to date. If there are issues or concerns you would like to see addressed, please present these at our monthly PAC meetings where things are discussed with PAC executives and school admin so appropriate action can be taken. Every parent is a member of the PAC, and we want your voice to be heard at meetings.

---

☰ **4 Be Kind and Courteous** ⋮

The PAC FB page is run by PAC executive volunteers. Help us create a welcoming and informative environment by being respectful in all online communications.

---

☰ **5 No Hate Speech or Bullying** ⋮

Words matter. How you conduct yourself online matters. There will be no tolerance for hate speech or bullying. Members displaying such disrespectful interactions will be removed from the group.

---

☰ **6 No Unauthorized Images** ⋮

We do not have media release consent for our students. For the privacy and safety of our students, no identifying images/videos of students will be allowed to be posted.

# Appendix C

Re: MAKER kits proposal

Requesting: \$500

The purpose is to keep the consumables that are a part of the MAKER kits topped up for classes that are using them for specific projects. These consumables include items like:

- pipe cleaners
- pom poms
- clay
- popsicle sticks
- yarn/string
- wire
- glue/hot glue
- tape (masking, packing, and duct)
- felt/foam sheets

(just to name a few)

- Beneficiaries are the school community (teachers, students, EAs, and parents) for MAKER Projects that require large amounts of supplies.

- Donations are welcome if they are safe and unused items. We don't use metal or glass objects.

- They would be used each term to replenish the items as they are used for projects. This all depends on how many people do projects and what they need for those projects.

Thanks!

Jen Thiessen
